

Live It Out—Discovering how to love like Jesus

Read: Mark 16:15

DAY

1

Jesus Says

Play a game of Simon Says, but instead say, “Jesus says.” Give instructions of kind things that Jesus would ask us to do for others! Examples are: “Jesus says, give a big smile,” or “Jesus says, give a hug to a neighbor.”

LOOK for ways to do what Jesus would do!

DAY

3

Spread the Good News

On a piece of paper, or using chalk outside, trace your footprints. Write out this week’s verse on the paper or around your footprints outside. Say your verse out loud to help you learn it this week.

ASK God to help you always follow Him.

DAY

2

Good News Megaphone!

Take a piece of construction paper and decorate it with a drawing of happy faces, hearts, crosses, or the words “Jesus loves you!” Roll and tape your megaphone. Practice saying truths about Jesus out loud!

KNOW that telling others kind things is showing them Jesus’ love for them!

Learn and Tell

When we read the Bible, hear stories, and learn from others about Jesus, we can then share what we know with others! Pray and ask God to help you learn about Jesus and tell others about Him.

~~~~~  
 “Dear God, please help me to always listen, hear, and learn about You and how You sent Jesus to be our Savior. Please help me to have the confidence to tell others about Jesus and all that He has done. Please help me this week to tell others about You. I love You. Amen.”  
 ~~~~~

ASK God to help you tell others about Jesus.

Teach one another.
